If you need material prices to finish a bid, change-order or proposal ...

mayerelectric.com

is your personal access to answers 24 x 7

- ✓ See your prices !
- ✓ Know what's stocked at Mayer !
- ✓ Amazingly easy to use and built specifically for Mayer customers !

- Search for materials using: key words, manufacturers' part numbers, Mayer part numbers, product descriptions, UPC code, or even your pre-loaded part numbers
- Use the Product Categories to drill down to find just the items stocked in your local Mayer district
- Use the Manufacturers A-Z selection to get to just the brand you're after
- Check Prices - your prices, set up by your account manager specifically for you
- Place orders for shipment to your office or job sites
- Access your Mayer account information - see invoices, order status, line of credit, etc.

Getting set-up to access your account at Mayer takes about two minutes (and all you'll need is a copy of a Mayer invoice).

Questions? We're glad to help. Contact your Mayer account manager or the Mayer Help Desk at: 1-866-696-2937 or helpdesk@mayerelectric.com
